

Employees without toilets will face action: DC

Chamba, February 21

With a view to make total sanitation campaign a positive result- oriented drive , Chamba deputy commissioner, Devesh Kumar has asked the heads of various offices in the district to initiate disciplinary action against those employees who are still without toilets in their houses.

Deputy commissioner said the departments with big establishments like education, health, public works, IPH, forest, rural development and social justice and empowerment had been directed to ascertain the names of defaulting employees and take appropriate action. Role and responsibility of public servants towards ensuring sanitation needed to be practised, he added.
