

Press Note

Township to be developed near Mehla

Chamba, December 18, 2010

A world-class modern township for 25 thousand dwellers is to be developed in Nawasidhar region of Chamba district. Presiding over a meeting convened to discuss the feasibility and other aspects of the project, Deputy Commissioner, Devesh Kumar said picturesque Nawasidhar area ranging between 5 to 8 thousand feet from sea-level would have the infrastructure for high-paying capacity tourists also.

The township would be connected by forty-foot wide roads from Jot and Mehla. He directed the officers of PWD, IPH, Forest, Town and Country Planning departments and Electricity Board to workout the survey and prepare estimates keeping in view the requirements of next 50 years. The preliminary plan would be sent for recommendations at state level.
